4-H UPDATES

Official Newsletter of Barber County 4-H

4-H Starts Using Heja

4-H Council has talked since September about moving to an app to help increase communication. At the February meeting, it was decided to try the free version of Heja.

The app is designed for sports team. In the app, Barber County 4-H is a Team. Each 4-H club also has a Team. Club Leaders are Coaches. The Coaches are all being added to a Managers Chat on Barber County 4-H Team that allows the office to send messages to leaders only. There is also a Team Chat that all parents and members will be included in.

The App also includes a schedule. Currently we are not using the RSVP function, but it does provide a day of reminder for upcoming events. The office is maintaining the schedule in the Barber County 4-H Team. Clubs can also maintain a schedule of club events in their team.

Early reviews are positive. For the rest of this 4-H Year, Newsletters will be emailed in addition to posted on Heja. The app gives us flexibility to update the schedule as events are planned so you may find announcements there before the next newsletter is sent.

To join download Heja from the Apple or Google Store. During sign up, it should ask for a Team Code.
Barber County 4-H: DP-668569

Leaders have also been sent links to share for the Barber County 4-H Team. Club Codes will be sent to the Leaders.

Youth Entrepreneurship Challenge Comes to Barber County

March 11th we will have 3 businesses entered in the 1st Barber County Youth Entrepreneurship Challenge. It is open to all Barber County Youth in 7th to 12 grades.

Youth Entrepreneurship Challenge (YEC) is a program that is managed by Network Kansas and Kansas State University. This is a joint effort between Barber County Development and K-State Research and Extension in Barber County.

WHAT IS A YEC COMPETITION? Communities host locally-organized events that bring students together for the purpose of a hands-on entrepreneurship experience. Typically, local entrepreneurship competitions involve students preparing a written business plan or executive summary, a “tradeshow booth” (similar to a science fair tabletop display), and a pitch or presentation.

The winner will qualify to attend the State Contest at K-State. The State Contest has over \$70,000 in prize money this year.

The Trade Show will open at 3:00 P.M. Awards will be at 3:30 P.M. They will be allowed to take down their displays after photos are taken with the awards. This would be a great way to learn about the contest and be able to help promote it next year.

This contest should continue to grow in future years.

Camps Coming in 2025:

Rock Springs Ranch Camps:

Every year, thousands of kids come to 4-H Camp at Rock Springs Ranch. They unplug, explore, play and learn the kinds of lessons that can last a lifetime. Campers grow socially, emotionally, physically and cognitively. Many make friends for life. It's also just plain FUN!

The values of 4-H are at the core of Rock Springs Ranch and they guide all of our programming. We believe the lessons learned here can create a foundation for success that will last far beyond their visit. **But you don't have to be a 4-H member to come to camp at Rock Springs!**

Everyone is welcome, regardless of 4-H membership!

Visit [Rock Springs Ranch](#) if you'd like to learn more about sessions, dates, rates and the 4-H Camp experience!

Wildhorse Camp at Silver Maple: June 17-19 Registration date cutoff is May 9th. See flyer at end of newsletter.
